

PRODUCT INFORMATION

Uniprot ID P30408 **Common Name** AGX101

Conjugate PE-conjugated **Synonyms** M3S1;TAAL6 **Applications** Flow Cyt

Recommended

Dilutions

Flow Cyt 1:100

Formulation & Reconstitution

Liquid
☐PBS with 0.05% Proclin300, 1% BSA

Host Species Humanized

IgG type lgG1 Reactivity Human TM4SF1 **Target**

PE-conjugated Anti-TM4SF1 (AGX101 biosimilar) **Description**

mAb

Delivery Under Development

Storage & Shipping Store at 2°C-8°C for 6 months

Research grade biosimilar. Not for use in

Background therapeutic or diagnostic procedures for humans

or animals.

Usage Research use only
